NYHEDSBREV NO. 7

5. marts 2012

Kære alle, hermed en let forskudt nytårshilsen fra Chinenke:

January 2012

Dear Tove and Michela/Alken People,

Happy Christmas and New-year to all of you in ALKEN. Thanks to our Lord most of us we are fine.

2. The Hammer-mill is operating well without fault since when it was fitted in September 2010. We are using 20 litres of Diesel per week which gives us a weekly profit of K80,000.00 since August 2011.

3. The proceedings from the Hammer mill have paid the brick layers who have built two (02) houses for the teachers at the School you support. However, these houses need Iron Sheets. Therefore we enclose the photo's for the houses. We are looking forward for this to happen from that end.

4. We still appreciate your assistance which you have rendered to this Village. May GOD BLESS YOU ALL.

With Regards

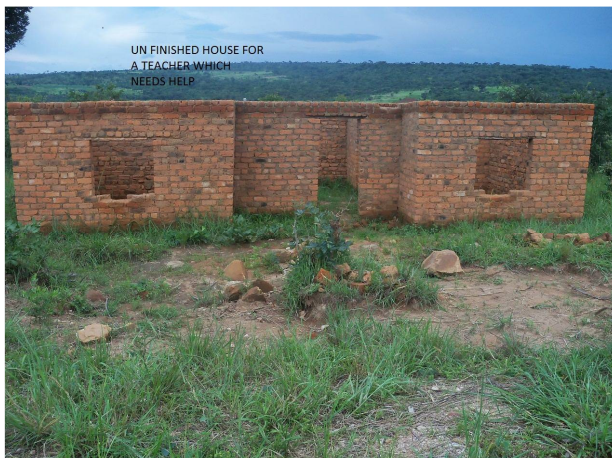

Chinenke Village Committee
For and on behalf of Chinenke people.

Vi vil gerne støtte Chinenke i at få blikplader på de lærerboliger de omtaler. Måske også sætte nyt i gang? Foreløbig har vi bedt Chinenke komme med et budget. (Tallene i brevet ser voldsomme ud, men 1Kwacha=0,001 Danske kroner, og de sætter

kommaet anderledes end vi gør, så i pkt 2 er der tale om 80.000 Kwacha, hvilket er ca. 86 Dkr)

Vi vil tage sagen op på generalforsamling i april.

”Unfinished house for a teacher which needs help”

Og så et stort NB: vi har skiftet bank så der er et nyt reg nummer. Fra den 1. Marts sendes alle bidrag til det gamle nummer retur!!! Så husk denne ændring! Det nye er : [6180-4501905602](tel:61804501905602).

Der er 7 medlemmer pt. Det ville lune med lidt flere.
Indestående er 5.161 kr. Og det skyldes næsten udelukkende en håndfuld (4 stk helt præcist) faste indbetalere. Tak til dem, og tak til de ikke-faste.

Hilsen
